OE775F - URIEL WILLIAMSON

This is the first comprehensive history of films made in or about Iowa. It reflects some twenty years of collecting, lecturing, and talking with some of Iowa's current generation of independent filmmakers. It covers the span from 1918 to 2013 and gives important background information on dozens of high profile films such as the STATE FAIR films of 1933 and 1945, THE BRIDGES OF MADISON COUNTY, FIELD OF DREAMS, and many others. It is designed as a companion for the State Historical Society's blockbuster "Hollywood in the Heartland" exhibition in Des Moines that is scheduled to run at least through 2016. The book has an interpretive essay covering the entire history as well as paragraph length descriptions of each film. A user-friendly feature is the Index of Films, which makes it easy to locate discussions of individual films. Marty Knepper is a featured commentator on video screens in the "Hollywood in the Heartland" exhibition. Betrayal has forced us on the run. Evading the very man I consid-

ered my family, the organization I once considered good. In hiding, I need to master my new power and find peace with my bonded guardian--or risk exposure. But my heart can't accept the events that led us here. I need answers. Closure. An olive branch is offered and another trap is sprung. While my relationships grow stronger by the day, new tensions arise and ghosts of my past appear. But can anyone be trusted? I'm Kit Davenport and I didn't see that one coming.

Named one of the best books of 2021 by NPR, The Washington Post, and Financial Times "No one states problems more correctly, more astutely, more amusingly and more uncomfortably than Francine Prose . . . The gift of her work to a reader is to create for us what she creates for her protagonist: the subtle unfolding, the moment-by-moment process of discovery as we read and change, from not knowing and even not wanting to know or care, to seeing what we had not seen and finding our way to the light of the ending."—Amy Bloom, New York Times Book Review "Depending on the light, it's either a very funny serious story or a

very serious funny story. But no matter how you turn it, *The Vixen* offers an illuminating reflection on the slippery nature of truth in America, then and now."—Washington Post

Critically acclaimed, bestselling author Francine Prose returns with a dazzling new novel set in the glamorous world of 1950s New York publishing, the story of a young man tasked with editing a steamy bodice-ripper based on the recent trial and execution of Ethel and Julius Rosenberg—an assignment that will reveal the true cost of entering that seductive, dangerous new world. It's 1953, and Simon Putnam, a recent Harvard graduate newly hired by a distinguished New York publishing firm, has entered a glittering world of three-martini lunches, exclusive literary parties, and old-money aristocrats in exquisitely tailored suits, a far cry from his loving, middle-class Jewish family in Coney Island. But Simon's first assignment—editing *The Vixen*, *the Patriot* and *the Fanatic*, a lurid bodice-ripper improbably based on the recent trial and execution of Ethel and Julius Rosenberg, a potboiler intended to shore up the firm's failing finances—makes him question the cost of admission. Because Simon has a secret that, at the height of the Red Scare and the McCarthy hearings, he cannot reveal: his beloved mother was a childhood friend of Ethel Rosenberg's. His parents mourn Ethel's death. Simon's dilemma grows thornier when he meets *The Vixen's* author, the startlingly beautiful, reckless, seductive Anya Partridge, ensconced in her opium-scented boudoir in a luxury Hudson River mental asylum. As mysteries deepen, as the confluence of sex, money, politics and power spirals out of Simon's control, he must face what he's lost by exchanging the loving safety of his middle-class Jewish parents' Coney Island apartment for the witty, whiskey-soaked orbit of his charismatic boss,

the legendary Warren Landry. Gradually Simon realizes that the people around him are not what they seem, that everyone is keeping secrets, that ordinary events may conceal a diabolical plot—and that these crises may steer him toward a brighter future. At once domestic and political, contemporary and historic, funny and heartbreaking, enlivened by surprising plot turns and passages from Anya's hilariously bad novel, *The Vixen* illuminates a period of history with eerily striking similarities to the current moment. Meanwhile it asks timeless questions: How do we balance ambition and conscience? What do social mobility and cultural assimilation require us to sacrifice? How do we develop an authentic self, discover a vocation, and learn to live with the mysteries of love, family, art, life and loss?

I should have known my quest for vengeance would eventually be my downfall. I should have been more careful, more paranoid--but I'm glad I wasn't. Who knew that getting caught for my crimes would lead to so much happiness? But joy can be fleeting... It turns out, this battle is only just beginning. With ultimate power on the line, my faceless enemies will stop at nothing to capture me, dead or alive. I need to master my abilities, fast, or this could be the end for someone I care far too deeply about. I'm Kit Davenport and this is going to be a bumpy flight. Warning: This is a reverse harem story with sex, violence and swearing.

My quest for answers is what's led me here. Here, to the edge of civilization where shifters are free from persecution and able to live in peace. Or, at least they were until I arrived. In the aftermath of the trouble I brought, one man holds the answers I seek so desperately. Whether he will part with his secrets, that's another matter. This world is not what I always thought it to be and someone is doing their best to kill us all; when accidents continue to happen I must consider the possibility that someone I love is setting me up. With the fate of the world at stake, I must face the demons of my past or risk being consumed by them. But this time, I'm not alone. I'm Kit Davenport and this is going to leave a mark.

My life changed in an instant, altered by fire, irreparably damaged. Just like me. I'm a broken, damaged soul on the run from a very real sort of darkness. My father, a notorious mob boss, either wants me back or wants me dead. I find solace in the arms of his enemies. Five deliciously dark men that tempt me to do things I shouldn't. Arsen, Colt, Weston, Mace, and Hawke. They're just as dangerous as the men they're hunting. So, will they save me, or burn me to ashes? Either way, in their arms, I catch fire. I burn. And I love every second of it. **NOTE: This book was originally published as Five Fathers by Kate Morgan. It has undergone a rewrite but the core story remains the same. **

My stalker isn't letting me go. None of them are. Archer and his boys think they control me. My stalker wants to possess me. I'm not an idiot, I know my newest allies are using me, too. That's fine. I protected the single most important person in my world, my little sister. I protected myself, and I seized control of the Tri-state Timberwolves. Since then, I've wielded that power with an iron fist. Done whatever it took to take care of my people. Kept us out of the public eye, and kept us safe. Now a ghost from my past is threatening my position. Challenging me. Peddling their poison and breaking my rules. Stabbing at me in the dark. Blowing up my fucking club. But this last attack has taken it one step too far. They have no idea the lengths I'll go to protect what is mine. And Lucas? He's mine. They want anarchy? They haven't seen anything yet. ♦♦♦ Anarchy is book TWO of FOUR in the Hades series.

Prequel to the darkly hypnotic Bargainer series! In the beginning, there was darkness. Before he met Callie, before he became the Bargainer, there was Desmond Flynn, the bastard son of a scribe. A boy born to a weak mother, cursed with little magic, and destined to marry a slave. But fate had something else in mind. Till darkness dies. From the barren caves of Arestys to the palace of Somnia to the streets of earth, this is how Desmond Flynn, a fairy who began with nothing, became the Emperor of Evening Stars.

The time is now. It seems all I've ever wanted was vengeance. I

did everything right: I protected my friends, I pushed myself to the limits, and I saved lives. Once upon a time, I was an internationally renowned thief known as The Fox. Nobody knew me. Nobody could catch me. Nobody but them, my men, my partners in crime. But their love for me, it's cost them dearly. Our enemies keep coming for blood. They cut me. They hurt my friends. They push and push to see what will happen. I'm Kit Davenport, and I'm going to show them what happens. This is the end. Theirs.

She's my last chance. Those four words echo in Violet Spencer's mind, tugging at her curiosity even as rage builds within her. Arbon Academy was supposed to be a bright new start. An opportunity for greatness, and something an orphan girl could only dream of. For a while there, it seemed to be exactly that. But Violet's bright future is suddenly looking dim. Arbon Academy and Prince Alex are nothing but a facade. A trap. In a sinister world of ballgowns and backstabbing, of perfumes and politics, of indulgent parties and illegal sword fights, Violet now faces the biggest challenge of all. Recovering her shattered heart from the prince who crushed it. Supported by her new friends, Violet wants to make Alex feel the pain of his betrayal. Prince Rafe wants nothing more than to help make that happen, but things aren't always so straightforward. Don't break tradition. Don't let them know you know. Don't lose your heart... again. These rules will keep Violet alive. But at what cost?

They're waiting for you. Those four words should have been a warning. They should have filled Violet with dread. But she was so focused on Rafe's disappearance, she forgot. The resistance was supposed to be fighting for a better world. A group of free-

dom fighters formed during the Monarch War, pushing back against laws that would see everyone enslaved. For a while there, they gave hope. But with power comes corruption. The Society has been quietly amassing the strength and backing to become a real threat, and not everyone wants to use that power for good. In a world torn apart by the death of monarchs, new leaders rise. Violet dives headfirst into the viper's nest with one singular goal: rescue the stolen prince who possesses half her heart. With the unwavering support of Jordan at her side, Violet knows she can face whatever the resistance throws at them. Even if she was the intended target all along. Keep your friends close. Keep your enemies closer. Never forget the betrayals of the past. The end of an era is here.

The de Vincent brothers are back—and so is the intrigue that surrounds them—in New York Times bestselling author Jennifer L. Armentrout's sizzling new novel . . . Nicolette Bresson never thought she'd return to the de Vincents' bayou compound. It's

where her parents work, where Nikki grew up . . . and where she got her heart broken by Gabriel de Vincent himself. Yet here she is, filling in for her sick mother. Avoiding Gabe should be easy, especially when so much of Nikki's time is spent trying not to be stabbed in the back by the malicious hangers-on who frequent the mansion. But escaping memories of Gabe, much less his smoking-hot presence, is harder than expected—especially since he seems determined to be in Nikki's space as much as possible. Gabriel spent years beating himself up over his last encounter with Nikki. He'd wanted her then, but for reasons that were bad for both of them. Things have now changed. Gabe sees more than a girl he's known forever; he sees a smart, talented, and heartbreakingly beautiful woman . . . one who's being stalked from the shadows. Now, Gabe will do anything to keep Nikki safe—and to stop the de Vincent curse from striking again.

And then there are my exes--Riot and Fin. Somebody's cursing old gods, stripping shifters of their ability to change. And a trapped shifter doesn't last long without losing their mind. WARNING: This is a sexy, steamy reverse harem paranormal romance (one girl, four guys) with loads of humor, plumber puns, and group sex. Read with a glass of wine and a smile! Four hunky, supernatural plumbers. One reluctant, slightly drunk human. A match made in heaven ... or in the bathroom, rather. My name is Arizona Smoke, and I'm the proud owner of a house haunted by my dead Gram, best friend to a cocktail dress loving werewolf, and apparent soul mate to four plumbers who also happen to be elemental dragons. Besides rippling pectorals, tattoos, and ... uh, nice, long pipes, the guys also have control of the elements. Supernatural law (whoever heard of such a thing anyway?) dictates that since I stumbled upon the guys in their alternate forms, I have to marry them. All four of them. Oh, and apparently one lousy (okay, awesome) night of sex means that I'm an elemental, too—and no amount of magical penicillin can cure this disease. All I wanted was hot running water and toilets that flushed, but now I'm dealing with monsters lurking in the sewers, supernatural politics, and four penniless (but totally hot) plumbers living in my crumbling old Victorian. I'm Ari Smoke, wine aficionado, ex-barista, and a girl who is completely out of her element. Having four hot husbands is nice ... but the death threats, not so much.

Willa Knight: Dweller. Slave. Non-magical being. In Minatsol, being a dweller means that you are literally no better than dirt. In fact, dirt might actually be more useful than Willa. Her life will be one of servitude to the sols, the magic-blessed beings who could one day be chosen to become gods. At least her outer village is far removed from the cities of the sols, and she won't ever be

forced to present herself to them... Until one small mistake changes everything, and Willa is awarded a position to serve at Blesswood, the top sol academy in the world—a position that she definitely did not earn. Under the sudden, watchful eye of the gods, she will be tasked to serve the Abcurse brothers, five sols built of arrogance, perfection and power. They are almost gods themselves, and under their service she is either going to end up sentenced to death, or else they are going to ruin her so badly that she will wish for it. Either way, she is in trouble. This is a full novel, 90,000 words. Book 1 of 5 in the Curse of the Gods Series

"Liar, liar, pants on fire." The words scrawled on the back of my newest stalker mail makes my blood run cold. I have no idea if it's the lie I know, or one that I don't. Since arriving back into Shadow Grove, I've been stalked, tormented, chased and almost killed. I've been lied to, repeatedly, by people I was growing to trust. Liar. That word haunts me. Someone knows more about my life than I do. Someone is taunting me with answers and teasing me with secrets. Am I desperate enough to fall for more deception? Archer and his boys made a huge mistake when they lied to me. They thought they could play me but they're about to learn that they've met their match. No one stabs Madison Kate and gets away with it. LIAR is a full length (448 pages, 102,978 words) college/new adult romance with enemies-to-lovers/love-hate themes. This is a reverse harem novel, meaning the main character has more than one love interest. This is book TWO of FOUR in the series.

THE ROYAL TRIALS: COMPLETE SERIES is all three books in The Royal Trials trilogy as well as an EXCLUSIVE BONUS EPILOGUE SCENE. Book 1: IMPOSTER Three trials. Three weeks. Three Royal Princes. It should have been an easy task, for a skilled mercenary like Rybet Waise. Simply break into the royal palace, and rescue her friend from the executioner's block. But when Rybet accidentally qualifies for the Trials, she finds herself with little choice but to see them through. A thin veil of etiquette, elegance and glamour hides the true nature of the Trials. Behind closed doors, they are brutal and bloody, and to fail means to forfeit her life. Thrust into the limelight and forced to compete with the Kingdom's elite sweethearts, unlikely allies emerge and bonds are formed. But someone will stop at nothing to see her fail. After all, she's nothing but a dirty pond-dweller. Rybet will do whatever it takes to survive until the Golden Ball, Princes be damned. Book 2: SEEKER One quest. One crown. One shattered heart. The Royal Trials were never meant to be easy, not even for an imposter like Rybet Waise. But nothing could have prepared her for the magical storms, mutated animals and malicious gods standing in her way. There is no time for tears, mere hours after being bathed in Prince Alexander's blood, Rybet must embark on a quest. The se-

cond trial dictates she find a missing magical artefact--Queen Ophelia's crown. Released from the overbearing confines of the royal palace, Rybet competes not only with the other remaining ladies, but also with the land itself. Magic is more volatile than ever, and the gods have come out to play. Royal love interests who don't know how to share only make things harder for this dirty pond-dweller--if that's really all she is. Rybet will do whatever it takes to make it out alive, and with her heart unbroken. Book 3: HEIR A corrupt King. A murdered Queen. A missing Princess... Found. Once upon a time, The Royal Trials were a sacred ritual designed for a queen to select her king. But nothing is as it was in the kingdom of Tiech. Not since the brutal murder of beloved

Queen Ophelia. The town of Ironforge revealed important secrets, but it all came at an unbearable cost. The streets run red with the blood of innocents and Rybet's heart is heavy as she returns to Lakehaven. Facing court and her mother's murderer will require more than just a brave face. She will need the skill, intellect and support of those who love her. Or what's left of them. Torn between love and duty, Rybet faces decisions she never thought she would have to make. This long lost princess will do whatever it takes to make it to the Golden Ball, even at the cost of her own happiness. **PLEASE NOTE: This is a reverse harem romance, meaning the leading lady ends up with 3+ love interests and does not choose between them. If that's not your cup of tea, this isn't the series for you!**
