 "Politics as a Vocation" is an essay by German economist and sociologist Max Weber. It originated in the second lecture of a series he gave in Munich to the "Free Students Union" of Bavaria on 28 January 1919. This happened during the German Revolution when Munich itself was briefly the capital of the Bavarian Socialist Republic. Weber gave the speech based on handwritten notes which were transcribed by a

stenographer. The essay was published in an extended version in July 1919, and translated i
