Find helpful customer reviews and review ratings for The Yes Brain Child: Help Your Child be More Resilient, Independent and Creative at Amazon.com. Read honest and unbiased product reviews from our users.

The Yes Brain offers clear strategies for fostering balance, empathy, and self-regulation in our children to not only help them manage today's bumps and tumbles, but to nurture in them the resources that will allow them to enjoy happy, healthy grown-up lives. An invaluable resource that I'll be recommending to parents for years to come!"

We're thrilled to announce my next book with Tina Payne Bryson, The Yes Brain - available everywhere on January 9, 2018. As The Whole-Brain Child laid out the stages of a child's development, and No-Drama Discipline focused on one of the most important aspects of child-rearing, The Yes Brain is centered on fostering resilience in children as they grow.

The Yes Brain Child: Help Your Child be More Resilient ...

The Yes Brain is our response. We focus on what we call the four Yes Brain fundamentals: balance, resilience, insight, and empathy. These are the qualities we all need to be successful in life, and if we can promote them in our children, they'll be well on their way to approaching life from a Yes Brain perspective.
