"Kidada Williams's They Left Great Marks on Me is an impressive and important contribution to our understanding of African American life after the Civil War. Whereas most previous scholars utilized the records of the Freedmen's Bureau and other agencies to document the causes, characteristics, and extent of anti-black violence during the postbellum period, Williams focuses on the ...

They Left Great Marks on Me. Book Description: Well after slavery was abolished, its legacy of violence left deep wounds on African Americans' bodies, minds, and lives. For many victims and witnesses of the assaults, rapes, murders, nightrides, lynchings, and other bloody acts that followed, the suffering this violence engendered was at once ...

-- E.R. Crowther * CHOICE * "Kidada Williams's They Left Great Marks on Me is an impressive and important contribution to our understanding of African American life after the Civil War.

HISTORY. The book, "They Left Great Marks on Me," is a narrative of the civil rights struggle for black minorities in the United States. After the American civil war, the general thinking among the black population was that they would be free indeed. However, after the election of Rutherford B. Hayes as president, black discrimination comes to the fore.

They Left Great Marks on Me: African American Testimonies of Racial Violence from Emancipation to World War I is a welcome addition to the growing literature on racial violence in the United States during the years immediately following emancipation through World War I. Meticulously researched and written by Kidada E. Williams, this important work examines racial violence through the words of victims and witnesses, creating what Edward E. Baptist has called "'vernacular history,'" which is ...
