FOSFHA - RAMOS KALEB

In This Changes Everything, Naomi Klein explores the issue of climate change from a political perspective and considers why we have failed as yet to respond to the global danger it poses.

Once a decade, Naomi Klein writes a book that redefines its era. No Logo did so for globalization. The Shock Doctrine changed the way we think about austerity. This Changes Everything is about to upend the debate about the stormy era already upon us.

“Naomi Klein’s This Changes Everything is a ground-breaking work on how climate change changes everything. Written with an elegant blend of science, statistics, field reports and personal insight, it does not paralyze but buoys the reader.

This Changes Everything is as much about the psychology of denial as it is about climate change. “It is always easier to deny reality,” writes Naomi Klein, “than to allow our worldview to be...
