Title Environmental Ethics For Canadians

Environmental ethics and philosophy is taught in all major Canadian universities, as well as in many smaller institutions. This area of philosophy became a focus of interest in Canada since the 1960s and 1970s, in conjunction with other environmental disciplines and in interaction with environmental activism. Canadian environmental ethicists have been active participants in ISEE...

Environmental Ethics for Canadians is a comprehensive introduction to the core ethical questions shaping current environmental debates. This wide-ranging introduction combines readings by leaders of the environmental ethics and philosophy movement with contemporary selections and original pieces by emerging voices in the field.

Title Environmental Ethics For Canadians Author Byron

9780195433630: Environmental Ethics for Canadians ...

What I like about Environmental Ethics for Canadians is that it covers all the standard material that is covered in most other texts, but also includes some chapters that are novel and unexpected. I especially appreciated the chapters on aesthetics, sustainability, First Nations perspectives and pragmatism."
