Tomorrow's God: Our Greatest Spiritual... book by Neale ...

Tomorrow's God by author Neale Donald Walsch has been excellent to read and its content is perhaps our greatest spiritual challenge facing all of us as we enter significant changes in our lives. These changes prepare us for the dawning of Aquarius and the incoming 7th Golden-Age of mankind.

In Tomorrow's God, Walsch offers compelling reasons why adopting this new belief system is in the best interests of humankind -- now. Tomorrow's God contains an astonishing prediction, one that comes from an astonishing source: God. Presented as a conversation between God and Walsch, this startling, profound book is offered in two parts: Part One deals with humanity's current conception of God, and the new ideas about the Deity that will characterize God in our not-too-distant future.
