I have read both 'Trade Like A Stock Market Wizard' and 'Think & trade Like a Champion' multiple times over, having first read 'Trade Like A Stock Market Wizard' in April 2018. I have been trading for circa 2 years, originally focussing on UK AIM- listed stocks.

Trading is quite different from other businesses, but it is still a business and you need to run it like one and think of it as one. Most traders start out on the wrong path right out of the gate by treating their trading like a trip to the casino rather than a business that requires structure and planning and which has real costs associated with it.

To some, it seems like an impossible fantasy, but it is possible to make a living trading stocks—the real question is if it's probable. Novice investors, buoyed by their success with paper trading simulations, may take the leap of faith and decide that they're going to earn their living from the stock market.
