This easy-to-use guide is the most comprehensive source of information available on the capabilities of towing and towed vehicles built between 1998-2007. It provides manufacturer's official tow ratings for passenger cars, light trucks, vans, and SUVs and also addresses the suitability of vehicles for towing behind motor homes. Taking the guesswork out of the buying decision, the guide helps consumers make intelligent, informed, and safe choices when choosing a new or used vehicle. Manufacturers' websites and email addresses are included for additional assistance.

With over 7 million RVs and RVers on the road, safety is more important than ever. With that in mind, Trailer Life offers a comprehensive guide to manufacturers' recommendations on the capabilities of towed and towing vehicles. The ratings include passenger cars, light trucks, vans, and sports utility vehicles. The one single source for this information in summary form, this easy-to-use book is a must-have for any trailer owner, helping them make intelligent, safe, and accurate choices when choosing an RV or dinghy vehicle.

Both new and experienced RV owners will find this system-by-system guide indispensable-- Expanded to include up-to-date improvements in technology, accessories, appliances, and systems, and chapters on buying new or used RVs

Check out HowExpert Guide to RV Life to learn how to buy, drive, and maintain a recreational vehicle to travel and live the RV lifestyle! About the Author Charley Dickson is a former Oregonian who now lives full-time in a 38' Class A motorhome in various places around the country. In his 30+ years of RVing, he and his wife have traveled in a pop-up trailer, a 30' travel trailer, a 29' Class C motorhome, a 40' 5th wheel trailer, and two Class A motorhomes. He's been to most of the country, but there are still many places he and his wife will be seeing. He's a firm believer in being more of a do-it-yourselfer rather than having someone else do a repair or modification. As such, he's a staunch supporter of doing the homework to find out as many aspects of a certain subject as possible. As such, this book is written for other folks who want to know more about RVing. HowExpert publishes how to guides by everyday experts.

Explains how to plan a motorcycle trip, recommends clothing and accessories, and offers tips on safety.
