Tribes : We Need You to Lead Us PDF Summary - Seth Godin ...

Seth Godin argues the Internet has ended mass marketing and revived a human social unit from the distant past: tribes. Founded on shared ideas and values, tribes give ordinary people the power to lead and make big change. He urges us to do so.

The important thing Seth mentioned is that people belong to multiple tribes and that "Human beings can't help it: we need to belong". This really reassured me. It is a natural thing to want to be a part of a tribe, so to be a leader of a tribe is offering something that people need in their life.
