~~Turning Vision Into Action by George Barna~~

Good business leaders create a vision, articulate the vision, passionately own the vision, and relentlessly drive it to completion. (Jack Welch) Vision requires action. The course I teach, Professional Communication for Executives, has a variety of objectives: To develop a working knowledge of both theory and skills for effective and ethical public and persuasive communication.

~~Turning Vision into Action—CORE~~

If you deeply desire to turn that long-held dream into a reality, these three steps will help you transform your vision into action: 1. See it clearly.

~~Transform Your Vision Into Action With These 3 Steps~~

Turning Vision into Action. October 5, 2016. Written by Matthew S. I started working for ActioNet in Hawaii this May, and it has

been nothing short of amazing. I love the people I work with; I love the work that I do, and I love how I am growing every day as a working professional. On my first day, looking at our company website, the quote “Turning Vision into Action” caught my eye immediately.

~~Turning Vision into Action—ActioNet~~

Now is the time to turn that vision into proposals for action. The next round of Vision workshops will focus on identifying actions to achieve those goals. Once again, the Vision Advisory Group invites the Brewster public to participate in a workshop to identify actions to achieve the vision for the town.

~~TURNING VISION INTO ACTION—Donuts~~

The first component to turning vision into action is to challenge current practices and to take risks. This first step is usually one of the hardest. Too often organizational members become comfortable in their environment and they soon begin to resist change.
