Under Our Skin

The definitive record of the Lyme controversy, UNDER OUR SKIN exposes a hidden story of medical and scientific malfeasance and neglect. As official case numbers explode and hundreds of thousands of people around the world go undiagnosed or misdiagnosed, the film is as relevant and timely as ever.

UNDER OUR SKIN — Under Our Skin

"The visual beauty of the film underlies its most haunting theme. The closer humans get to nature, the more sensitive they must become to its hidden dangers. UNDER OUR SKIN details a medical night-

mare. The movie only looks like a sun-kissed dream." - Michael Sragow, Baltimore Sun "Infectiously persuasive...targets both the heart and brain."
