Used Car Buying Guide. Everything you need to know about buying a used car: Buying a used car can seem overwhelming; with so many things to consider, where do you even start? We'll show you how to find a used car that not only fits you perfectly, but one that you'll feel safe behind the wheel in. Here are the steps to take when buying a used car:

Cars are also now built to last longer than ever, and repair issues that were common two decades ago are now much less likely. But while used cars represent the peak of value, they can also represent the highest risk. Everyone has

heard stories of car buyers getting saddled with lemons, and having no recourse.

Unless you can get a used car warranty from the dealer you're buying the car from or from a third party, non-certified used cars generally don't come with a warranty. That means a used car might have a higher cost of ownership over a new car when you factor in maintenance costs. If you're shopping for a used car and you're not planning on it ...

Used vehicles are often the best values you'll find in the automotive market. This is especially true for models just two or three years old. Not only is the price lower than a comparable new car ...
