HL1KZC - VANG ZAYNE

The Bike Market

This used Harley Davidson buyer's guide video is an excellent resource for anyone looking into a used motorcycle. If you will not be able to have a reputable mechanic inspect the bike first; review this video once or twice and take some notes. You can even walk around the bike while you play this video on your smartphone!

Some people who are thinking of buying used are willing to get a used bike from a Harley-Davidson seller for a little extra assurance that no outstanding repairs need to be made on a bike. A bike owner may be able to get "certified pre-owned" Harleys from a franchised dealer, along with a warranty or guarantee and complete service history.

The Bike Market
Recognising that flat track was starting to grow in popularity, in the mid-2000s, Harley Europe were calling for a European-based model from Harley instead of the US-targeted ones. They wanted an air-cooled big V-twin that wasn't a tourer, but instead had genuine sporting abilities, which they hoped would appeal to the European buyer and attract younger riders into the brand.
