YTXNY8 - DONNA LYNN

When 17-year-old high school student Isabelle Coleman vanishes, Josie fears Isabelle's disappearance may be linked to other cases of missing girls in nearby areas. The sudden appearance of a mute and obviously traumatized girl, who has been missing for close to a year and is wearing Isabelle's tongue barbell, confirms Josie's suspicions.

In "Vanishing Girls" we meet Josie Quinn, a detective on suspension for following her emotions, if not her heart, & not so much the law. The great thing about Lisa Regan's characters is that they jump off the page as people. People who are flawed & scarred but also love & care about those around them. It's a heartbreaking tale of vanishing girls, but, not one that relies on gore or cheap thrills. Rather, this has tension on every page, characters that are well developed and a haunting storyline that stays with you long after the final chapter.

Vanishing Girls is a dark, gritty, and compelling crime thriller. Although some pieces of the book were a bit over-the-top to be believed, the story itself was riveting and memorable. Vanishing Girls stayed with me long after I finished the last page. I will definitely be reading the next book in the series.

When Isabelle Coleman, a blonde, beautiful young girl goes missing, everyone from the small town of Denton joins the search. They can find no trace of the town's darling, but Detective Josie Quinn finds another girl they didn't even know was missing. Mute and unresponsive, it's clear this mysterious girl has been damaged beyond repair.

Vanishing Girls is the first book in the Detective Josie Quinn series and this is in fact the first book that I have read by this author and certainly won't be my last. Vanishing Girls is a brilliant start to a new series which I couldn't put down and devoured it in one day. The book starts off with one chilling prologue that left me wanting more.

Josie presses her hands into the center of the drowned girl's chest and pumps, counting off compressions. She takes in the girl's beautiful face, her brown eyes glassy. The memory of a champion swimmer on the podium with her teammates—a red swim cap on, her head thrown back in laughter—a stark contrast to the cold, still body before her.
