CVZZ7N - POPE LEVY

This brightly illustrated non-fiction book for very young children is packed with dinosaurs to look at and talk about. Little children can find out about different species of dinosaur, how big they were, what they ate, how they lived and died. Illustrations: Full colour throughout

Okonkwo is the greatest warrior alive, famous throughout West Africa. But when he accidentally kills a clansman, things begin to fall apart. Then Okonkwo returns from exile to find missionaries and colonial governors have arrived in the village. With his world thrown radically off-bal-

ance he can only hurtle towards tragedy. Chinua Achebe's stark novel reshaped both African and world literature. This arresting parable of a proud but powerless man witnessing the ruin of his people begins Achebe's landmark trilogy of works chronicling the fate of one African community, continued in *Arrow of God* and *No Longer at Ease*.

A beautiful and gentle look at the circle of life, using Christine Pym's gorgeous animals characters to explore the emotions and facts around death, with questions such as Is it ok to talk about dying? What happens when someone dies? Can I shout and cry and hide away? and How can I stop feeling

sad?

This engaging picture book for little children is full of ideas for things to see and do outdoors. Charming illustrations cover simple activities from bird watching to beachcombing while clear labels explain basic facts about the weather, wildlife and staying safe outdoors. Illustrations: Full colour throughout

A split-page board book teaching children the simple concept of numbers through Eric Carle's inimitable collage illustrations. Readers need to line up the number in the top section of the book with the same number of fruit in the bottom section.

An informative, first non-fiction book that helps young children learn about the fundamentals of geography, including a range of different habitats and the animals that live there, the weather system and how it works, and the basic geography of continents, land and water.

WINNER OF THE LOCUS AWARD FOR BEST NOVEL
Ezekiel Blue's father committed a crime, unleashing a deadly menace into steampowered Seattle. And his bereaved family has paid the price. Now, Ezekiel is determined to clear his father's name, risking death and the undead in the attempt. Sixteen years ago, as the

American Civil War dawned, gold brought hordes to the frozen Klondike. Fanatical in their greed, Russian prospectors commissioned Dr Leviticus Blue to create a great machine, to mine through Alaska's ice. Thus the Incredible Bone-Shaking Drill Engine was born. But the Boneshaker went awry, destroying downtown Seattle and unearthing a subterranean vein of blight gas. Anyone who breathed its fumes turning into the living dead. The devastated city is now walled in to contain the blight. But unknown to Briar, his widowed mother, Ezekiel is going in. His quest will take him into a city teeming with ravenous undead, air pirates, criminal overlords, and heavily armed refugees. And only Briar can bring him out alive. 'Adventure of rollicking pace and sweeping proportions ... this book is made of irresistible' Scott Westerfeld, 'This is a hoot from start to finish' Cory Doctorow, 'Intelligent, exceptionally well written and showcasing a phenomenal strong female protagonist' Publishers Weekly

This is an attractive first word book, with lots of familiar things to spot and talk about. It helps to build young children's vo-

cabularly and the essential acquisition of language skills.

Presents a selection of vehicles accompanied by the word for each vehicle. On board pages.

AGES: 1+ years AUTHOR: Sarah Dyer was born in Brighton in 1978. Her first book (Five Little Fiends) won the Bronze Smarties prize and the UK Reading Award. The Book of Things will be her first non-fiction book. When Sarah is not illustrating, she teaches Illustration at the universities of Kingston and Middlesex SELLING POINTS: * Introducing the playful, quirky artwork of Sarah Dyer to the Templar list * Sarah won the Bronze Smarties Award for her first picture book * Original, funky, humorous take on the first words book concept * Includes 250 everyday objects for little ones to spot and say * Matt-laminated cover with spot UV

"This delightful book has lots of things to look for, spot and talk about, making it perfect for sharing with little children."--Page 4 of cover.

Evil has plagued this world since the dawn of

creation seeking to gain control. One family was given supernatural abilities with the sole purpose of protecting the things in this world that evil must never take possession of. Samantha Nelson knew she was cursed. She didn't know that her unnatural ability of forcing the truth out of people was just the beginning of her curse until her family is murdered in a horrific home explosion. Six months later she finds herself face to face with a Knight Protector and her life is turned into utter chaos. When David received his assignment on his twentieth birthday he was told that his destiny would be entwined with a woman soon to be born and that his aging would be halted. Since the moment Samantha was born, David protected her from her enemies. As every Knight before him, he does so in the shadows. But David must face the facts that something even deadlier than her enemies is occurring. No matter how much he denies it, he is falling in love with her. When her enemies begin to discover ways around his protection and murder her family he is forced to make a decision of what is more important to him; his family or his assign-

ment. All it takes is one warning sign of danger to convince him that he simply cannot live without Samantha and he takes a leap that will change their lives forever. Their only chance of survival is to discover what Samantha's destiny is and the journey leads them straight to the heart of the Knight family where they discover evil has infiltrated and it is up to them to stop the evil before it destroys the family and gains control of the very thing that God created the family to protect.

BOARD BOOK. A vibrantly colourful book for babies, full of holes, tactile patches and flaps, plus a sound panel. A wonderful interactive book to share together--babies won't be able to resist helping to turn the pages and lifting the flaps to find hidden surprises.

"Very First Words is a bright and lively picture word book for the very young, with over 100 objects to spot and name"--
Back cover.

This is non-fiction for very young children, who will find lots of things to look at and talk about in this highly visual book about space - what it is, where it is, and what's out there. Little ones can find out about planets, stars, aster-

oids, space travel and lots more - while learning lots of interesting new words. Alex and Conner Bailey's world is about to change. When the twins' grandmother gives them a treasured fairy-tale book, they have no idea they're about to enter a land beyond all imagining: the Land of Stories, where fairy tales are real. But as Alex and Conner soon discover, the stories they know so well haven't ended in this magical land - Goldilocks is now a wanted fugitive, Red Riding Hood has her own kingdom, and Queen Cinderella is about to become a mother! The twins know they must get back home somehow. But with the legendary Evil Queen hot on their trail, will they ever find the way? The Land of Stories: The Wishing Spell brings readers on a thrilling quest filled with magic spells, laugh-out-loud humour and page-turning adventure.

age naming and picture-and-word association, building language and reading readiness, while the inviting, look-and-point pictures stimulate talking. Cleverly designed to inform and entertain, 100 First Things That Go takes your baby on an exciting learning adventure.

Ever wondered why there are so many books about bears? Discover the grizzly truth in this bear-all account! Oh please, NOT another book about bears! Bears are TIRED. SICK and TIRED. Just when they are in the middle of something really good -- like sleeping, snoozing or napping -- there comes a storybook that makes them stop what they are doing -- that is, sleeping -- and get up and be part of a story. Every story. Well, the bears have had enough. They are going on STRIKE! But what animal could take their place? Find out straight from the mouth of bears, in this hilarious interactive story from rising Australian husband and wife team Laura and Philip Bunting.

Little children need to learn a huge amount of vocabulary before they start to read, and one of the best ways to help them is to share books with them.

This book is a perfect vocabulary builder, with over a hundred words, each with a picture. Simply point to a picture and say the word and your child will soon be picking up new words.

A monumental, genre-defying novel that David Mitchell calls "Michel Faber's second masterpiece," *The Book of Strange New Things* is a masterpiece from a writer in full command of his many talents. It begins with Peter, a devoted man of faith, as he is called to the mission of a lifetime, one that takes him galaxies away from his wife, Bea. Peter becomes immersed in the mysteries of an astonishing new environment, overseen by an enigmatic corporation known only as USIC. His work introduces him to a seemingly friendly native population struggling with a dangerous illness and hungry for Peter's teachings—his Bible is their "book of strange new things." But Peter is rattled when Bea's letters from home become increasingly desperate: typhoons and earthquakes are devastating whole countries, and

governments are crumbling. Bea's faith, once the guiding light of their lives, begins to falter. Suddenly, a separation measured by an otherworldly distance, and defined both by one newly discovered world and another in a state of collapse, is threatened by an ever-widening gulf that is much less quantifiable. While Peter is reconciling the needs of his congregation with the desires of his strange employer, Bea is struggling for survival. Their trials lay bare a profound meditation on faith, love tested beyond endurance, and our responsibility to those closest to us. Marked by the same bravura storytelling and precise language that made *The Crimson Petal* and *The White* such an international success, *The Book of Strange New Things* is extraordinary, mesmerizing, and replete with emotional complexity and genuine pathos.

Taking refuge in fairy tales after the loss of his mother, twelve-year-old David finds himself violently propelled into an imaginary land in which the

boundaries of fantasy and reality are disturbingly melded. By the author of *The Black Angel*. 75,000 first printing.

Young children will love following the bus route as the animals climb on along the way to go to the funfair. Not only does it have bright and colourful illustrations, but it also has thick cardboard wheels that really turn! Perfect for pushing it along the floor, tables and other surfaces.

This engaging picture book for little children is full of ideas for things to see and do outdoors. Charming illustrations cover simple activities from bird watching to beachcombing while clear labels explain basic facts about the weather, wildlife and staying safe outdoors.
