A resource for fans of The Kurtherian Gambit. End of the world as we know it. Plausible. Scary in its simplicity. Horrible in its effect. Set in the Kurtherian Gambit Universe, this story explains how a few mistakes can have grave consequences. Unfortunately, the technology in the following short story is real. Yes, this could happen. Dammit. Who wants to really dwell on these things? This story was written by Craig Martelle, based on the original WWDE Document as authored by Jeff Morris. You get both in this one short story which gives you insight into how a fiction author takes a technical document and makes a story out of it. Otherwise, I would label this, "Crap, I don't want to ever, ever, ever think about."

Amazon Five-Star Review North Chicago begins to thrive and a return trip to New York City shows Terry and Char something they didn't expect. Terry Henry Walton envisioned the Force de Guerre as a unit to keep evil away from those who wanted to live in peace. Akio is of the same mind, but he sees the whole world as a place that needs the protection that Terry and his people can provide. On behalf of The Queen Bitch, Akio recruits the FDG to take the fight overseas to stop an

army. "The saga of TH, Char, and the Force de Guerre continues full steam... The characters are real in their interaction with each other. The story is absolutely great. I love the honor, loyalty, and humor projected through the book."

Whether they are ready or not, the people are about to find out what the Queen's promise is worth. When Bethany Anne stepped down as Empress, she swore to return if the Federation was ever in danger from outside evil. That time has come. Bethany Anne's refusal to be restricted by the impossible has made her plan to protect the Federation a reality, and the return of the Superdreadnought Reynolds brings a long-awaited reunion and an opportunity. Pulling together old friends and family members from all over the Federation and...beyond, Bethany Anne is ready to leave the Interdiction to build a military whose numbers can rival the Ookens. But is her plan impossible enough to succeed?

Wenn Du es am wenigsten erwartest, solltest Du damit rechnen. Bethany Anne wurde darüber informiert, dass sich ein Raumschiff innerhalb des Sonnensystems aufhält... aber ihr Team kann es nicht finden. Ist es kurtherianischen Ursprungs, oder jemand anderes? Die Regierungen der Welt wurden über die Außerirdischen aufgeklärt, was weltweit Bemühungen anfeuert, an die Technologien zu kommen, über die TQB Enterprises verfügt... Oh, und Eric möchte gerne Gabrielle daten, möchte ihr aber klar machen, dass er sie wenn es sein muss beschützen kann. Aber seine Idee, wie er ihr das beweisen kann? Nun, man könnte sagen, es war nicht die beste Lösung, die er sich da ausgedacht hat.

Nomad's Force starts nearly one-hundred years before Michael's return to earth and the events that happen in Justice Is Calling. What does the mundane look like when gearing up for war? This snippet is a taste of that. How can TH keep the blade sharp when no enemy stands before him? What will his kids do? Always his children, but not children. It's out there, it's ALWAYS been out there - just no one believed it. Governments, Black Ops, Rich Businessmen... All want alien tech and some are going to great lengths, illegal lengths, to procure it. Someone went so far as to endanger a young girls family. A young girl who wrote a letter to the Queen Bitch. Now, those that are searching for the technology will have to deal with TQB. If there is one thing that will get Bethany Anne's attention... It's mistreating the defense-

less. Bethany Anne tries to stay out of the world's business, but they just keep doing stupid stuff... Sucks to be them.

Some forget why she was called the Queen Bitch. Not Anymore. Bethany Anne is going stir crazy after more than a decade of having to be 'The Empress.' Now, her advisors have to deal with an Empress who is determined to be on the front line. The Ixtali's come to the Etheric Empire, hat in hand. Nathan decides that the best way to handle soft intelligence, is to create a new company. What they name the new company should give a clue what it is about. The Skaine are able to finally get Ranger Tabitha's group right were their missiles can attack. The problem is, who is sucking whom into a trap? Strap back in, because Bethany Anne is putting the Queen's crown back on.

Stephen walked into the office which Barnabas was using as his judge's chamber. While the massive amount of data Bethany Anne's team was throwing at him was more than enough to assuage his curiosity, he had never felt this way in the last one hundred and fifty-two years. He wanted a vacation. He pulled the top manila-folder and took a look at the name, "Clarissa Bernier, CEO." He opened the folder, and it was now in the agreed upon fashion. There was one page with her typical information of name, age, location, and a two paragraph background and the requested punishment. It was a type of joke now between Barnabas and Bethany Anne. No matter the requested punishment, she would strike it out and write "DEATH" and put a happy face on, with fangs. It let him know that she was not letting up on her desire to make a lot of people pay for Michael's death. The team had already executed six individuals across the world in the last three months. Sean

Truitt was just the first one. Stephen interrupted him, "You look tired," he spoke as he took a seat in one of the two blue chairs facing Barnabas's desk. Barnabas leaned back, keeping the folder open, "Is she serious?" He pointed to the document, "Even ADAM, using our agreed punishment matrix is calling for this lady to be punished financially." He closed the folder, "She walks the line towards Michael all the time, brother..." To be continued ...

Greed and Fear, two emotions that rule both individuals...and Countries. Now, China has decided that they will do whatever it takes to acquire TQB technology. There was a glaring flaw in their plan. When they kill an unborn little baby in a raid, the Queen Bitch is Released. Now, China has two options...Kill Bethany Anne, or Sue For Peace.

One man leaves the life of a lawman behind him and works to clean up a new area in space. On the planet now known as High Tortuga, the mine workers are far too close to being slaves so the ruler of the planet shut them down. Except for the mine owned by Venfirdri Lan. He's taken his mine off the grid and decided to keep everything running. With no need to pay the workers, profits should be good. After all, who's going to stop him? He had no idea there was a new type of man working for justice on the planet. A man named Barnabas. In fact, he didn't even know who Barnabas was. But he's about to. Barnabas may not be Ranger One anymore, but one thing definitely has not changed: when someone screws over the powerless, Barnabas is going to bring the pain. With a bloodthirsty AI running his advanced spaceship, those who love evil should start looking over their shoulders. Life just got a lot more fun. --- NOTE: This

book contains cursing. Perhaps humorous cursing, but cursing nevertheless. If this offends you, I don't suggest reading this book.
