Warranted Christian Belief is a book written by Alvin Plantinga and published in 2000 (Oxford University Press). It constitutes, after Warrant: The Current Debate and Warrant and proper function, both published in 1993, the last part of his trilogy on epistemology . In this book, Plantinga wants first to show that it is rational to accept Christian belief.

Synopsis. This is the third volume in Alvin Plantinga's trilogy on the notion of warrant, which he defines as that which distinguishes knowledge from true belief. In this volume, Plantinga examines warrant's role in theistic belief, tackling the questions of whether it is rational, reasonable, justifiable, and warranted to accept Christian belief and whether there is something epistemically unacceptable in doing so.

So writes Alvin Plantinga in the first line of the preface to his book, Warranted Christian Belief. The book is the third volume of a series by Plantinga discussing the warrant (i.e. the plausibility and believability) of Christianity. It is meant to be independent of the other volumes, though, so starting

here is a good choice.

A very important book for understanding the justification, or warrant, for one's Christian beliefs. Plantinga distinguishes between the de facto and de jure objections to Christian belief. He argues that there is no valid de jure objection without a valid de facto objection. Roughly speaking, Christian belief is rational unless it is in fact false.
