So they are two different (but much alike) species of snake. They are different and cannot be the same snake. This is the snake that Harry released.

Nagini: 5 Things To Know About Shocking Twist With Harry ...

"There was a rumour that Nagini was the snake Harry released from the zoo in Harry Potter and the Philosopher's Stone. This was proven false, as Nagini is some type of viper while the snake in the zoo was a boa constrictor. Furthermore, the snake was given a male voice in the film, while Nagini is female."

Presented there as an unusually intuitive serpent, Nagini serves Voldemort, who is in bad shape after being defeated by an 11-year old Harry at the end of the first book, “Harry Potter and the ...
