In What We Think About When We Try Not To Think About Global Warming, Stoknes not only masterfully identifies the five main psychological barriers to climate action, but addresses them with five strategies for how to talk about global warming in a way that creates action and solutions, not further inaction and despair.

What we think. We take every opportunity to influence public policy to benefit people with Parkinson's. See our policy statements and get involved in our Policy Panel. Benefits reform, the way care is funded, prescription charges and stem cell research are just a few of the ways in which public policy has a major impact on people with Parkinson's.

The Rs 1.97 crore Audi RS7 Sportback and what we think about it Up close, the RS7 seems chiseled to perfection. A large, hexagonal, single-frame grille, gaping air-intakes and popped-out wheel ...

We become what we think about. This is such a profound realization, and when I first understood this, not just on an intellectual level, but when I emotionally understood what this meant, my life changed. I started focusing on the things I really wanted to do, and not on just what would bring the money in for the time being. ...
