"But we have to try our best to break through that and think of it as more of a hopeful thing." Kate Fletcher, Professor of Sustainability, Design, Fashion at the Centre for Sustainable Fashion ...

~~We Are What We Think - Exploring your mind~~

~~We Become What We Think About - Transcend Your Limits~~

~~Buddha - What we think, we become.~~

Verb 1. think about - have on one's mind, think about actively; "I'm thinking about my friends abroad"; "She always thinks about her children first"... Think about - definition of think about by The Free Dictionary

We become what we think about. This is such a profound realization, and when I first understood this, not just on an intellectual level, but when I emotionally understood what this meant, my life changed. I started focusing on the things I really wanted to do, and not on just what would bring the money in for the time being. ...

What do we think about when we think about football? Football is about so many things: memory, history, place, social class, gender (especially masculinity, but

increasingly femininity too), family identity, tribal identity, national identity, the nature of groups.

What we think. We take every opportunity to influence public policy to benefit people with Parkinson's. See our policy statements and get involved in our Policy Panel. Benefits reform, the way care is funded, prescription charges and stem cell research are just a few of the ways in which public policy has a major impact on people with Parkinson's.

~~What We Think About When We Think About (and Have) Sex ...~~

What we think Last reviewed: April 2016 | Next review: Currently being reviewed Our vision is a future where people with a learning disability have a real choice about where they live and who they live with and where housing options are tailored to meet their needs and aspirations.

~~Think about - definition of think about by The Free Dictionary~~

What You Think, You Are! King Solomon wisely wrote about mankind that "as he thinks in his heart, so is he" (Proverbs 23:7a). In other words, what we think, we are! What we think about the most is what we are the most, not what others think. This means we can control, to some extent, what our attitudes will be.

Benefits - what we think Mencap's vision is a future where all people with a learning disability and their families have a good standard of living and, where they need it, receive financial support in the form of social security.

To follow the success of the book We Are What We Eat, we going to present you with the psychological version: we are what we think. It's certainly a quite suggestive title, and it invites us to learn more about the relationship between thoughts, events, and the way we define ourselves. Events don't happen in a set order. There isn't a single universal "now", in the sense that Newtonian physics would have it. It is true that many events in the Universe can be put into ...

What we think about: Thrombectomy 2 Thrombectomy or mechanical thrombectomy is a relatively new procedure used to treat some ischaemic stroke patients. Ischaemic stroke is the most common type of stroke caused by a blood clot cutting off blood flow to part of the brain.
