Everything is her fault and she just sits there in her house doing whatever she wants. She needs to be punished. L.S. Dear L.S. You seem to have a dysfunctional family. Something is radically wrong. It is sickening to hear a mother admitting that she is having sexual intercourse with her son. My Lord, this is disgraceful behaviour.

4.0 out of 5 stars Whatever she wants. Reviewed in the United States on January 21, 2015. Verified Purchase. A fascinating — and supposedly true—description of the life of a male escort.
