esty in marketing, 10 leaders tell us what they think the next year has in store.

what's the future of business Archives - Brian Solis

"The future city has to take a big lesson from nature and start behaving like an ecosystem." By that, he means zero-waste cities: Even the idea of waste is anathema to a working ecosystem.

In future business will feature more technology. The meteoric rise of companies like Uber, Airbnb and Deliveroo rattled the world of business. Some of the biggest players in transport, lettings and delivery industries suddenly weren't actually in transport, letting and delivery - they were technology companies.
