*Worlds in Collision* is a book by Russian-American independent scholar Immanuel Velikovsky published in 1950. The book postulates that around the 15th century BC, the planet Venus was ejected from Jupiter as a comet or comet-like object and passed near Earth (an actual collision is not mentioned). The object allegedly changed Earth's orbit and axis, causing innumerable catastrophes that are ...

On March 11, 2020 a global pandemic was declared that changed the world, and not for the better. Part of that change was the cancellation of large gatherings, including the annual *When Words Collide* festival. Then, on August 14-16, 2020, a miracle happened. The WWC community came together and put on a 3-day online festival.
