~~4 reasons why art is important for our society - Art Light~~

Art instruction helps children with the development of motor skills, language skills, social skills, decision-making, risk-taking, and inventiveness. Visual arts teach learners about color, layout, perspective, and balance: all techniques that are necessary in presentations (visual, digital) of academic work.

Acting in a play is exhilarating. But the arts also help kids develop on many fundamental levels. Here are the top ten ways that the arts help kids learn and develop important characteristics they will need as adults: 1. Creativity. This may seem like a no-brainer, but the arts allow kids to express themselves better than math or science.

We have seen paintings in caves and rocks. However, many of us don't take art very seriously. We think it's something anyone can do. But art needs lots of creativity and is very important for our society for the following reasons. 1. it is a natural behavior. Just like language is a natural behavior of expressing oneself, so is art.
