### 49QDDQ - GRETCHEN MCMAHON

---

Superstar singer, bestselling cookbook author, and cooking show host Patti LaBelle shares her favorite dessert recipes and kitchen memories. Her New York Times bestseller LaBelle Cuisine: Recipes to Sing About, which sold more than 300,000 copies, established her as a cooking star. Today, Patti's baking skills have the country buzzing. In Fall 2015, a fan's YouTube review of her sweet potato pie became a viral sensation, with over 20 million views. In just one weekend, her pies were completely sold out at Wal-Mart stores across the country. Now, for the first time, fans of Patti's pie can make their own, as well as other amazing sweets! Filled with her favorite recipes for pies, cakes, cookies, and puddings, as well as a chapter on diabetic-friendly recipes, moving personal stories from her career and life, this is the most personal cookbook LaBelle has written. Every fan of soul and sweets will

want to own it.

Life's not a fairytale for women like me, divorced and creeping up on middle age...until a hot younger man finds my lost shoes. Crashing weddings is so not my thing. I'd much rather stay home and watch HGTV . . . and ignore the fact that my life is messier than those fixer-upper houses. Because my jerk ex left, and the only thing keeping a roof over my sons' heads is my crappy tele-marketing job. But then I get a challenge from the Bad Luck Club, the group I joined to turn my luck around: Do something that breaks the rules. One ill-advised confession to my best friend later, I'm strapping on a pair of heels and crashing the wedding of two of the owners of Buchanan Brewery. The last thing I expect is to meet someone, let alone the sexy younger bartender who calls me out and finds my lost shoes, something straight out of Cinderella. And the very last thing I expect is to fall for him. It feels like I'm in a dream come true, a fairy tale, but the crap part about

dreams is that they have to end. Or do they?

With three months remaining of her marriage of convenience, Savannah is ready to say goodbye to her spoiled rich boy of a husband. He's annoying and argumentative and used to always getting his way. Sure, he's hot. And maybe occasionally a little bit sweet. But she doesn't want to stay married to him. Not at all. He needed a wife for a year so he could inherit his grandmother's fortune, and she needed to pay off her family's debts. That's all their marriage has ever been about. So she really needs to stop falling into bed with him.

KINGS OF ITALY DUET, PART 1 FAUSTO I am the darkness, the man whose illicit empire stretches around the globe. Not many have the courage for what needs to be done to maintain power . . .but I do. And I always get what I want. Including my son's fiancée. She's mine now, and I'll use Francesca any way I see fit. She's the perfect match to my twisted desires, and I'll keep her close, ready and waiting at my disposal. Even if she fights me at every turn. FRANCESCA I was stolen away and held prisoner in Italy, a bride for a mafia king's only heir. Except I'm no innocent, and it's the king himself-the man called il Diavolo-who appeals to me in sinful ways I never dreamed. Fausto's wickedness draws me in, his power like a drug. And when the devil decides he wants me, I'm helpless to resist him-even if it means giving myself to him, body and soul. He may think he can control me, but this king is about to find out who's really the boss. \*\*\*\*\* MAFIA MISTRESS is a full-length mafia romance written by a USA Today Bestselling author. It's the first book in the Italian Kings duet, not a standalone.

Will her shameful secret be exposed? Evie Katner has a shameful secret. One that forced her to abandon a very successful acting career. But now she's back and...and she wants this role! It was perfect for her! It was everything she needed to prove her place as a serious actor! The only thing...she had to trick the director/producer into giving her the part. Brock Severson is furious when he realizes that the woman who tried out for the role is none other than Evely Katner. She left the industry under a cloud of shame. No one knew why she'd left the acting world - but rumors were rampant! He couldn't allow Evie to ruin his film but...but she's perfect for the role. Evie brought more to the complicated role than he could have hoped for! Plus, he's stunned at how much he wanted her! Could he keep his mind on the job when his body wanted nothing more than to ignore the past and risk it all with the dangerous Evie?

The Omnitrix has been replaced by the even more powerful Ultimatrix and Ben's a little bit older now - but he's still turning alien to destroy villains and help keep the good folks in the galaxy safe from harm! It's a tall order, so Ben's really glad that he still has Gwen and Kevin (and their amazing powers) by his side. And Ben now has newer and even more AWESOME aliens than ever! So come and be reunited with some old friends and foes - and meet some new ones, too! Check out the alien facts, brain-busting puzzles and the epic comic strip.

A rollicking, colorfully illustrated history of burlesque as seen through the eyes of its first lady, Ann Corio.

Sky-high stakes...in business and the bedroom! Executive assistant Cassie has orders to spy on tech tycoon Luke. While he's ultra-arrogant, he's also aggravatingly irresistible. Before Cassie

knows it, they're jetting off to his private island – and her first-ever night of passion!

A collection of first-person case studies that detail serious ethical problems in medical practice and research.

Lose those unwanted pounds and keep them off once and for all with an easy three-week diet. The Rotation Diet's unique and simple plan varies the daily calorie intake over a three-week period, leading to an average weight loss of 13 pounds. Users who have a great deal of weight to lose may drop up to a pound per day in week one. When The Rotation Diet was first published, more than seventy thousand Nashvillians went on the diet and weighed in weekly at supermarkets. The results showed that the city became almost a million pounds lighter. This new, updated, and revised edition of The Rotation Diet offers a scientifically proven maintenance plan that requires only small changes to establish a permanently healthier lifestyle. There are tasty new recipes and menus based on the recently published USDA and HHS dietary guidelines, and numerous examples show how people who have changed their lives achieved success as they built weight-management confidence.

On June 25, 1989, the naked corpse of schoolteacher Susan Reinert was found wedged into her hatchback car in a hotel parking lot near Philadelphia's "Main Line." Her two children had vanished. The Main Line Murder Case burst upon the headlines--and wasn't resolved for seven years. Now, master crime writer Joseph Wambaugh reconstructs the case from its roots, recounting the details, drama, players and pawns in this bizarre crime that shocked the nation and tore apart a respectable suburban town.

The massive FBI and state police investigation ultimately centered on two men. Dr. Jay C. Smith--By day he was principal of Upper Merion High School where Susan Reinert taught. At night he was a sadist who indulged in porno, drugs, and weapons. William Bradfield--He was a bearded and charismatic English teacher and classics scholar, but his real genius was for juggling women--three at a time. One of those women was Susan Reinert. How these two men are connected, how the brilliant murder was carried off, and how the investigators closed this astounding case makes for Wambaugh's most compelling book yet.

Hardware -- Logic Design.

The director of my clinic is retiring and the job is up for grabs. I'd be lying if I said I didn't want the job for myself, but I'd be happy if any of my colleagues got the promotion. But none of them get it. Neither do I. It's an outside hire. Atlas Beaumont. Super genius, but I think he's a super prick. Worst part of all? My father is the one who wrote his letter of recommendation, the one that impressed my boss so much that he hired him on the spot.

An expert guide to wine from the publishers of Larousse Gastronomique. This completely new and updated edition offers wide-ranging coverage of the key wine-producing regions of the world, with particular reference to French vineyards. A short history and analysis of each region is followed by a survey of the types of wines produced, the specific properties that make the region unique, and the appellations of the area. New to this edition are more than 60 features on key wine producers around the world, affording a fascinating insight into what is involved in high-quality wine-making. Boxes and features throughout also cover a vast

range of subjects such as how to read a wine label and whether to decant wine, through to organic wine-growing and bio-dynamics.

John Yolton seeks to allow readers of Locke to have accessible in one volume sections from a wide range of Locke's books, structured so that some of the interconnections of his thought can be seen and traced. Although Locke did not write from a system of philosophy, he did have in mind an overall division of human knowledge. The readings begin with Locke's essay on Hermeneutics and the portions of his Essay Concerning Human Understanding on how to read a text. The rest of the selections are organized around Locke's division of human knowledge into natural science, ethics, and the theory of signs. Yolton's introduction and commentary explicate Locke's doctrines and provide the reader with the general background knowledge of other seventeenth-century writers and their works necessary to an understanding of Locke and his time.

This text has received many accolades for its ability to clearly and concisely convey materials science and engineering concepts at an appropriate level to ensure student understanding.

Workers' compensation subrogation continues to change and adapt, as trial lawyers prod its weak points and capitalize on confusing areas of the law. There have been numerous changes in workers' compensation statutes and case law in many states since the last edition. This edition includes an exhausting survey and detailed explanation of the crazy status of employer contribution in Illinois, which includes a step-by-step exposition of how contractual indemnity and the "Kotecki cap" play a role in expand-

ed employer liability in Illinois workers' compensation subrogation cases. It covers the many nuances of Naig and Reverse-Naig settlements under Minnesota law, including an analysis of who has what burdens of proof and the effect such a settlement has on the remaining third-party case tried to a jury. In light of the landmark Missouri Court of Appeals decision in Robinson v. Hooker, the liability of co-employees in Missouri and surrounding states have been covered in greater detail. The concept of co-employee liability for acts which are intentional or committed outside of the course and scope of employment has been added in several states. New case law and explanations were added to the Texas chapter with regard to subrogating against UM/UIM policies, including arguments with regard to the efficacy of UM/UIM exclusionary policy language and the ability to subrogate against a UM/UIM policy actually issued by the same carrier insuring for workers' compensation coverage. West Virginia completely revised their subrogation statute and created a new statute relating to the "statutory employer" status of primary contractors and subcontractors on construction sites, limiting when and how primary contractors can become legitimate third parties for purposes of subrogation. Chapter 7, "Contractual Limitations to Subrogation" has been completely overhauled to include new statutes and case law for every state to assist practitioners in determining the law applicable when there is an alleged applicable waiver of subrogation which might otherwise destroy subrogation. A new Chapter 12 has been added, which focuses on jurisdiction of workers' compensation third-party actions taking a broad look at 28 U.S.C. § 1441, which prohibits removal of cases "arising under" state workers' compensation laws. A carrier now has the ability to

prevent cases from being removed from favorable venues in state court to less favorable federal court venues - an attractive option for plaintiffs' attorneys with whom subrogated carriers can negotiate with for stipulations and concessions on their subrogation interests in exchange for maintaining a case in state court. This edition also expands on which states do and do not hold workers' compensation to be primary. Combined with more than 100 new case decisions, this Fifth Edition is the most complete and up-to-date edition yet. Workers' Compensation Subrogation is the most complete and thorough treatise covering workers' compensation subrogation ever published. There are very few areas in which the laws of each state vary more and are applied as differently, then in the area of workers' compensation subrogation. This book is intended to introduce the workers' compensation claims handler, in-house counsel, and subrogation professionals to some of the more esoteric and complex subrogation issues encountered in today's workers' compensation insurance subrogation marketplace. It covers the following issues in all 50 states: • Allocating Third Party Recoveries • Attorney's Fees • Borrowed Servant Doctrine • Conversion of Workers' Compensation Liens • Costs and Expenses • Dual Capacity Doctrine • Equitable Subrogation/Contribution • Exclusivity Rule Barring Action Against Employer • How To Calculate Your Credit/Advance and How It Is Applied In Each State • Intentional Acts • Joint Ventures • Made Whole Doctrine As Applied To Workers' Compensation Subrogation • Necessity of Intervention • Lien Reduction Statutes • Staff Leasing Services and Temporary Employment Agencies • Statutory Subrogation Rights • Subrogating Against UM/UIM Benefits • Subrogating In Medical Malpractice Cases • Subrogating In Legal

Malpractice Cases • Waivers of Subrogation • Who Qualifies As A Third Party • Other Workers' Compensation Subrogation-Related Issues In addition to being an excellent primer on workers' compensation subrogation, suitable for both the new subrogation professional and the seasoned veteran, the book also contains a detailed synopsis of the workers' compensation subrogation laws in each of the 50 states. It is a must for anyone with multi-state subrogation responsibilities. Complete with diagrams, references and thousands of footnotes, this is the most ambitious workers' compensation subrogation project ever undertaken. The following issues and topics are covered in detail for each of the 50 states: Statutory Subrogation Rights • Identifies the statutory authority for workers' compensation subrogation in that state. • Discusses the purpose/legislative intent of the statute. • Is an election necessary by the worker? • Who can bring a third party action (plaintiff, carrier, employer, or all of the above)? • When and must a third party action be brought? • What are the rights of a carrier to intervene in an existing third party action filed by a worker? • Will a worker's compensation carrier's subrogation interest be barred if not brought timely? Third Parties • Who can be sued as third parties in a third party action? • Can a co-employee be sued and under what circumstances? • Can an uninsured/underinsured carrier be a "third party" under the laws of that state? • Is there a dual capacity or borrowed servant doctrine which somehow affects the ability of a worker's compensation carrier to effectively subrogate? • What is the state's workers' compensation bar? • Are there any specific restrictions regarding subrogation against a subcontractor or an employee of a subcontractor in a construction situation? • Under what circumstances can the employer be

sued? • Can a carrier subrogate to the benefits of a recovery in a legal or medical malpractice action? Allocation of Third Party Recovery • How and when does the carrier recover its subrogated interest? • Does the carrier recover past benefits only or also the present value of future benefits which it owes under the Workers' Compensation Act of that state? • Is there a formula used to determine how a third party recovery is allocated? • What happens to the total recovery and how is it applied? • Can a carrier recover benefits paid by a third party or recovered in a third party action which relate to loss of consortium, or non-economic damages such as pain and suffering, mental anguish, or punitive damages? • Does the employer's negligence reduce the recovery by the worker or carrier? Attorneys' Fees/Costs • Can the plaintiff's attorney recover attorneys' fees and/or costs out of the carrier's subrogated recovery and under what circumstances? • How are attorneys' fees and costs handled if the carrier is also represented by subrogation counsel, intervenes into the third party action and actively represents its interest? • What if the carrier isn't represented? • Can a plaintiff's attorney recover attorneys' fees based on the value of past benefits only or will he be able to recover attorneys' fees based on the future benefits/credit recovered by the carrier? • Must a carrier bear its proportionate share of expenses as many states require, and what does that really mean? Credit/Advance • Can a carrier take a vacation from paying workers' compensation benefits once a worker makes a third party recovery? • How is the credit calculated under state law? • Does the carrier have to do anything special to obtain the credit, such as filing with the Workers' Compensation Commission? • Does the carrier get a credit toward future compensation benefits it owes

or does it actually get to collect the present value of the future benefits it owes and still be obligated to pay the scheduled benefits in the future? Statutes of Limitation • What are the applicable statutes of limitation or statutes of repose that may be applicable to third party subrogation actions? Related Subrogation Issues • Are there any other issues or statutes which affect a worker's compensation carrier's right of subrogation, such as the made whole doctrine, common fund doctrine, or anti-subrogation statutes? • Are there any lien reduction statutes, such as those existing in Indiana, which affect a worker's compensation carrier's right of recovery? • Does the state have any no-fault laws which complicate workers' compensation subrogation involving an automobile accident, such as exist in Michigan and Colorado? • What are the carrier's options if the worker and his attorney simply refuse to repay a worker's compensation carrier's lien after settling a third party action? • If the worker fails to repay the carrier, is there a cause of action for conversion of a carrier's subrogation interest or may the carrier still proceed against the third party tortfeasor to recover its subrogation interest?

If you haven't read this series, you're missing out. Sinclair writes the best Doms. Period. ~ Under the Covers Book Blog Let's liven up our marriage. It'll be fun. Then her husband brought two slaves into the house. That was the end of that. Divorce achieved, Valerie is working on her goals. Friends: has a new one. Fitness: little muscles! Finances: in the black. Friskiness? Total. Effing. Fail. So she attends the notorious Shadowlands club's open house. There, a sadistic Dom—a fellow professor--teaches her that she loves pain with her pleasure. He wants to show her more. Despite the razor edges of his hard face and the authority

in his every word, he's careful and caring. He listens, and how tempting is that? But she knows better. Her heart is off-limits. Retired Special Forces colonel, Ghost has been a widower for long enough. Although he's ready to love again, the generous, caring woman he desires has scars from her past. However, he has hard-won skills, enough to show Valerie there can be a new F on her list—fulfillment. Life looks good. Until his past surfaces, shattering his new life and the love he'd hoped to win. --- I love that I can dive into a Masters of The Shadowlands book and get lost and come out feeling warm, safe, and floaty. Just like being in "sub space". ~ Marie's Tempting Reads

Althusser and Law is the first book specifically dedicated to the place of law in Louis Althusser's philosophy. The growing importance of Althusser's philosophy in contemporary debates on the left has - for practical and political, as well theoretical reasons - made a sustained consideration of his conception of law more necessary than ever. As a form of what Althusser called 'Ideological State Apparatuses', law is at the forefront of political struggles: from the destruction of Labour Law to the exploitation of Patent Law; from the privatisation of Public Law to the ongoing hegemony of Commercial Law; and from the discourse on Human Rights to the practice of judicial courts. Is Althusser still useful in helping us to understand these struggles? Does he have something to teach us about how law is produced, and how it is used and misused? This collection demonstrates that Althusser's ideas about law are more important, and more contemporary, than ever. Indeed, the contributors to Althusser and Law argue that Althusser offers a new and invaluable perspective on the place of law in contemporary life.

Navy SEAL who wants nothing to do with commitment, is forced to protect his neighbor and her unborn baby when her past comes calling. Jack "Mars" Marsten lives in an apartment he never made a home. He made the mistake of marrying right out of boot camp to his high school sweetheart. When his wife left him during BUDS training, he vowed never to marry again. No entanglements. Period. Deirdre Anne Tyler is running from her ex-boyfriend who beat her when he found out she was pregnant. She changed her name to Anne Smith and is hiding in an apartment next door to a cranky Navy SEAL who barely says hello. Which is just as well. The fewer people who know her and where she is, the less chance of her ex finding her. Until he does... When trouble comes calling, Anne hides in her neighbor's apartment. Jack wants nothing to do with the woman but can't send her back to deal with her problem on her own. Stuck with the woman, he's now responsible for keeping her alive until her baby is born. How hard could that be? Harder than he originally thought when he finds himself falling for the pretty mother-to-be. No-commitment Jack sinks deeper into his own kind of trouble where Anne is concerned. the pretty mother-to-be. No-commitment Jack sinks deeper into his own kind of trouble where Anne is concerned.

MfM ménage romance from USA Today bestselling author Julia Sykes Two darkly domineering alpha males. They say I don't have to choose. They both want me. Together. The three of us. I was meant to be theirs: Joseph, my sweet first love, and Marco, his sternly intimidating best friend. I know they're dangerous men, but being with them doesn't feel wrong. When they hold me in their arms, I feel safe, cherished. I'm still their captive, but I'm no

longer certain if I want to be free of them. They swear they only kidnapped me for my own protection, and after a terrifying attack by one of their enemies, I'm starting to believe them. If I give myself to them, can my alluring criminal captors protect me? Or is their world too dangerous for even their strong arms to shield me from harm? Keywords: MfM ménage, Daddy romance, mafia romance, kidnapping, romantic suspense, new adult

"One of the best thrillers I have read this year. The plot is intelligent and will keep you hooked from the beginning. The author did a superb job creating a set of characters who are fully developed and very much enjoyable. I can hardly wait for the sequel." --Books and Movie Reviews, Roberto Mattos (re Any Means Necessary) OATH OF OFFICE is book #2 in the bestselling Luke Stone series, which begins with ANY MEANS NECESSARY (book #1), a free download! A biological agent is stolen from a biocontainment lab. Weaponized, it could kill millions, and a desperate national hunt ensues to catch the terrorists before it is too late. Luke Stone, head of an elite FBI department, with his own family still in jeopardy, has vowed to walk away—but when the new President, barely sworn in, calls him, he can't turn his back on her. Shocking devastation follows, winding its way all the way to the President, who finds her own family in jeopardy. Her strength tested, as she steps into her new role, she surprises even her closest advisors. Rival presidential staff want Luke out of the picture, and with his team in danger, and left to his own resources, it becomes personal. But Luke Stone never gives up until he, or the terrorists, are dead. Luke realizes quickly that the terrorist's final target is even more high value—and more terrifying—than even he could imagine. Yet with only a few days before doomsday, it's unlikely

that even he can stop what's already in motion. A political thriller with non-stop action, dramatic international settings, unexpected twists and heart-pounding suspense, OATH OF OFFICE is book #2 in the Luke Stone series, an explosive new series that will leave you turning pages late into the night. Book #3 in the Luke Stone series is also now available!

"You will not sleep until you are finished with AGENT ZERO. A superb job creating a set of characters who are fully developed and very much enjoyable. The description of the action scenes transport us into a reality that is almost like sitting in a movie theater with surround sound and 3D (it would make an incredible Hollywood movie). I can hardly wait for the sequel." --Roberto Mattos, Books and Movie Reviews ABSOLUTE ZERO is book #12—and the series finale—in the #1 bestselling AGENT ZERO series, which begins with AGENT ZERO (Book #1), a free download with over 500 five-star reviews. In the shocking series finale, Agent Zero learns of a powerful thermonuclear bomb which, set off in the right place, could kill tens of millions. In a breathtaking twist, he learns of something else that will make it even more deadly. The fate of the world is literally at stake as Agent Zero finds himself in a mad race against time, the only person on the planet with a capacity to find the weapon. Yet, while Zero races to find the location, he is up against other formidable forces: dozens of assassins are dispatched to kill him. And in the midst of all this, the time has come for Zero to have a final reckoning with his own deteriorating health. Full circle from his original discovery of the memory chip, Agent Zero is given one last chance to save the planet—if only he can keep from destroying himself—and everything in his path—in his wake. ABSOLUTE ZERO (Book #12) is an un-putdownable espi-

onage thriller that will keep you turning pages late into the night, and the satisfying and stunning climax to a masterful 12-book espionage action series. "Thriller writing at its best." --Midwest Book Review (re Any Means Necessary) "One of the best thrillers I have read this year." --Books and Movie Reviews (re Any Means Necessary) Also available is Jack Mars' #1 bestselling LUKE STONE THRILLER series (7 books), which begins with Any Means Necessary (Book #1), a free download with over 800 five star reviews!

Once they trust each other... There's no going back

In *The Perversion of Normality*, with full and reliable documentation, Kerry Bolton examines the anti-life character of the 'progressive' era. While arising from an historical process, certain movements and ideologies have been deliberately constructed to take advantage of the West's social decay to create a brave new world. Some people flourish amidst decay, and among those are a global oligarchy and the dysfunctional types the former promotes in the name of 'human rights', 'social justice', and 'equality'. The main obstacles to their 'new world order' are what they call the 'primary ties': the traditional family bond, faith, homeland, culture and ethnicity. In order to eliminate these, there is a well-financed assault, using feminism, identity politics, transgenderism, population control, sexology, 'human relations training', ad infinitum. Of particular service have been the social sciences, including what is called 'Cultural Marxism'. Turning normality on its head, what was until recently regarded as aberrant is now the 'new normal'. The final aim is to create a one-world state populated by 'transhuman', 'postgender' cybernetic drones in a scenario

reminiscent of the most bizarre science-fiction film.

It looked like a simple drug overdose. The truth is much more sinister... Small town sheriff Jack Lamburt would do almost anything to protect his community. But when he's faced with a series of daunting problems from multiple disasters that hit his normally quiet little upstate town, even he might be in over his head. A local marine hero is charged with a war crime, a home invasion leads to murder, and a young mother that he just happens to have a history with dies of a drug overdose. After all clues lead him to a suspected drug lab in a nearby town, his rage knows no bounds and he vows to deliver vengeance the only way he knows how... Leaving a trail of corpses in his wake, Lamburt uncovers a foreign connection to the crimes as he strides his path of justice. But up against a crooked journalist, the FBI, and diplomatic immunity, the ruthless lawman finds himself ensnared in a web of corruption that jeopardizes the entire country. Can Lamburt bring his personal brand of carnage to their plans before thousands of innocent lives are lost? *Foreign Justice* is the fourth thrilling book in the Jack Lamburt Vigilante Justice action adventure series. If you like high-octane page-turners, heroes willing to do what's necessary, and fighting the good fight, then you'll love John Etzil's gritty tale. Buy *Foreign Justice* to lay down the law, today!

The text is current, concise, and clearly written, with cases at the end of each chapter to illustrate the material.\* An interactive CD lets students test and expand their understanding with multiple-choice questions, key term matching exercises, demonstrations of various concepts and techniques, critical thinking exercise, interactive cases, and videos.\* A dynamic Web site provides test study guides, exercises, games, web testing, relevant articles, from The Wall Street Journal and other sources linked to the text, links to relevant web sites, additional cases, and other materials.

Four secrets to looking and feeling younger than ever. *Becoming Ageless* presents a three-month, detailed diet and exercise plan to create a leaner, more muscular and happier you. Developed by business mogul and fitness buff Strauss Zelnick--founder of the private equity firm Zelnick Media Capital and president and CEO of Take-Two Interactive, the company behind blockbuster video games such as *Grand Theft Auto* and *NBA2K*-- the strategies contained in *Becoming Ageless* are the same tactics that allowed Zelnick to evolve from a skinny, out-of-shape business executive (a

workaholic wunderkind who headed the film studio 20th Century Fox in his early 30s) to one of the world's fittest and most physically active executives who reached his best-ever shape in his late 50s! "If you believe my fitness buddies," Zelnick writes, "I have a body that's aging in reverse...And *Becoming Ageless* is filled with the amazing tips and unique principles you'd find if you trained with me."

Get ready for a collection of summer romances! *The Sailor's Secret Baby* Sampson never wanted to settle down — that's why he became a sailor. Then he meets Sweetie, with her pouty pink lips and innocent body. For the first time in his life he's ready to drop anchor. His *Make-Believe Bride* I may be an Alaskan fisherman, but I didn't expect my catch of the day to be Alice. When I pull her from the water and see her wet clothes clinging to all the right places, I want to strip her of them and make her mine. His *Billion Dollar Secret Baby* When I see her across the cabana at the luxurious Miami beach club— I know I have to have her. She stands out from the crowd— there's nothing fake or plastic about her. And when our eyes lock, I know this pretty little virgin feels the exact same way. His *Old Fashioned* She's an old fashioned girl who won't do the deed until she's walked down the aisle. He better be ready to pop the question, because this cocktail waitress won't lose her virtue to just anyone. She wants him—bad. But matter how thick his beard is and how deep his growl—if he wants this ingénue, he needs to drop to one knee. Dear Reader, Tan lines fade but these summer stories last forever! This collection is the only summer reading list you need — so grab your kindle, sun screen, and a cocktail for the steamy stay-cation you deserve! xo, frankie

A powerful new standalone novel from global bestseller Nora Roberts - a story of a mother, a daughter and a traumatic past reawakened 'If you're after the perfect pick-me-up, take-me-away-from-the-world read, then she's your woman' The Guardian The first time she met her father was the day he tried to kill her... Adrian Rizzo didn't have the easiest childhood, to put it mildly, but she's worked hard to put it behind her and to the outside world she is a beautiful young woman with a successful, high-

-profile career and a wonderful family and friends. When, out of the blue, she receives a death threat in the post, she is shocked but puts it down to someone's jealousy of her success and tries to forget about it. But Adrian doesn't realise that it's more than just spite. Someone is very, very angry about her happy life and will stop at nothing to bring it all crashing down. 'Nora Roberts is, quite simply, a one-woman phenomenon' Heat 'I love Nora Roberts' Stephen King
