Kindly say, the Yot 2 Puzzle Solution is universally compatible with any devices to read

### 516TP3 - CARTER MICAELA

The Yot II has a different solution to the original, so I may have to pick one up and see how much different it is. It's in a larger package, so clearly there's more room in there for an additional mechanism. If you need a few hints as to how to open the puzzle, then you can go to the Yot's website, and they have a few clues there. Hi guys. I have just received the Yot 2. Not used to Puzzles but I have one that uses basically the same solution. My question is: how many different ways to open the Yot 2 anyone of you have found? After one night, I found ove 6 ways to open it without using the "solution" as now I have seen many. Has anyone found them too? Reply Delete. Replies. Reply. Brian Pletcher August 9, 2013 at 12:29 ...

These puzzles require you to determine the number and color of dots that belong in the tile with the question mark on it by reducing the possible answers one tile at a time. In each row and in each column no two tiles can have the same number of dots. Similarly, in each row and in each column no two tiles can have dots of the same color.
